Principal's foreword

Introduction

This report outlines only the fundamental outcomes for Downlands College in 2015. It includes enrolments, curriculum offerings, staff profile, professional development, key student outcomes. The report obviously does not cover the extraordinary nature, friendliness and happiness of the student body and the wonderful spirit that enlivens our school and community.

School progress towards its goals in 2015

Our Education Plan has six core Goals and Strategic directions. These are: Leading and Managing, Stewardship of Resources, Student Learning, Co-Curricular, Pastoral Care and Boarding. In each of these areas there are Strategies, Desired Outcomes and their Key Performance Indicators. The Board receives an update twice a year outlining the progress towards these goals.

The Strategic Plan is kept to the fore and guides the direction of the school.

Future outlook

With the introduction of Year 7 in 2015 and the continued implementation of the Australian Curriculum, the College will continue to focus on the embedding of the MSC philosophy of education in teaching and learning programs and through professional development opportunities offered to all staff.

The dynamic and engaging delivery of curriculum and associated professional development, the on-going improvement in student behaviour through the 7 Step Behaviour Management policy and systematic and sound financial management will continue to be a focus area in 2015.

Downlands College's new Year 7-9 Boys Boarding facilities began operation in 2015.

A new Middle Leadership structure commenced in 2015 to support all of the above.

The refurbishment of McKenna Hall and Clark Hall commenced in Term 4 2015.

Characteristics of the student body:

Downlands College is an Independent, Catholic, Co-educational, Boarding school run in the tradition of the Missionaries of the Sacred Heart (MSC). Our students hail from as far away as Rabaul (PNG), South Australia, Northern Territory and remote Queensland and the Cape as well as North Western NSW. Boarding students comprise around 40% of our student population and give much life to the College. Our many day students either live in our lovely city or travel in from Allora to the South, Crows Nest and beyond in the North, Rosewood in the East and West to Dalby.

Curriculum offerings

Our distinctive curriculum offerings:

Downlands College maintains a curriculum program of considerable breadth and depth. One very strong feature of the curriculum program is the vast array of subjects offered to students in Years 11 and 12 and in this regard Downlands College sets itself apart from many other schools in this geographic location. In Years 7 - 10, students experience a broad general curriculum which prepares them well for successful learning in Years 11 and 12. While the vast majority of students in Years 11 and 12 are OP-eligible, the College caters for a diverse student population, providing quality QCAA and stand-alone VET study options to both OP and non-OP students. The curriculum is supported by an excellent VET/Careers program, and a well-regarded Learning Support Unit. Amongst other initiatives, the College is currently one of a small number of Queensland schools participating in The Gateway Schools to Agribusiness Project.

<i>How Information and Communication Technologies (ICT) are used to assist learning:</i>
<p>The College has an ICT Committee which is constantly monitoring and implementing the range of technology to support our curriculum offerings. The College has a one-to-one laptop program.</p> <p>Currently computers are used in all subject areas and in a variety of ways which include:</p> <ul style="list-style-type: none"> • Research • CADD • Word Processing • Library management and search • Communication • Presentation of lessons using data projectors (all classrooms have a computer & data projector) • "Click-view" Video library • Learning Support systems • Spread sheets • Interactive and sequential tasks and lesson plans. • Language (LOTE) applications • Student presentations • Internet/Website development and maintenance • Film and TV • Video production • Music design and performance • Art and Graphic design • Photography/image editing • Student Café

Social climate

Downlands is a close-knit community where students and staff engage positively in teaching and learning. In all our activities, College members strive to value each other and hold precious the healthy growth of body, mind and spirit.

Involving parents in their child's education

Downlands College involves parents in the child's education by:

- Regular year level forums to discuss issues relevant to the age of the students.
- Face to face Parent/Teacher interviews at the end of Terms One, Two and Three.
- Regular reports and feedback.
- Fortnightly newsletters to keep parents informed of the latest happenings at the College.
- Website – news, events and photos are regularly uploaded to the College website
- Parent Lounge – online access to student information and teacher email addresses
- Social Media – Downlands actively engages the community through three Facebook pages and a twitter account
- Parent Groups including – Parents and Friends, Friends of the Performing Arts, Sports Supporters Group, Agricultural Supporters Group, Downlands Past Student Association and the Boarder Parent Network.

Description of how non-attendance is managed by the school	
<p>Attendance Recording:</p> <ol style="list-style-type: none"> Pastoral Care teachers record attendance on TASS (administration program) each morning and reports are generated from this database. From this data a list of students is generated and an SMS alert is sent to parents/carers informing them daily of their child's un-explained absence from school. Approximately 1/2 of parents notify Reception of their child's absence either on the day or in advance. This is helpful and to be encouraged, but it does not suffice as an explanation of a student's absence until a hard copy note is received. An absence becomes an 'explained' absence when the Pastoral Care teacher receives a hard copy note from the student's parent explaining the absence. If the student fails to bring a note within two days of his/her absence, the Pastoral Care Teacher makes phone contact with those parents requesting a note of explanation (for our record keeping purposes). Notes are sighted by PC, signed, and taken to Reception where the system is updated as an explained absence. Notes explaining absence are retained by the Pastoral Care Teacher for the life of that Pastoral Care roll (approx. 5 weeks) and then given to the Year Leaders for filing. In the case of boarding students, Pastoral Care teachers may email boarding house parents regarding their need for a boarding student's absence to be explained. An email response from houseparents/residential staff will be accepted as a response. <p>Students Arriving Late:</p> <ol style="list-style-type: none"> Reception staff generate a late slip that shows the time and reason for the late absence. Students are allowed entry to the class with this slip. This is then accessible via Teacher Kiosk (TASS) for all staff to keep track on student's absences/lateness. Notes explaining the late arrival are filed by the Year Leader as per student absences. 	

Achievement – Year 9

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Year 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for Year 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the MySchool link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Where it says 'Search by school name', type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the **Terms of Use** and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Achievement – Closing the Gap

Downlands College presently has 48 indigenous students within the total student population (28 females, 20 males), 35 of whom are boarders. Indigenous students have access to the Learning Support Unit and where extra learning assistance is required, may undertake a reduced number of subjects/units of study. An indigenous tutoring program runs on Monday, Tuesday and Thursday evenings and is staffed by Downlands teachers, teacher aides and local community members. Downlands indigenous students benefit from interactions with the College's Careers and Learning Pathways department. SET Planning assists indigenous students to plan Senior Education pathways with future career and study goals in mind. External agencies within the local community support the College in its endeavours to assist indigenous students. As the majority of our indigenous students are boarders, the school attendance rate is excellent and the retention rate is very high. Every effort is made to foster positive relationships between the school and the parents and carers of indigenous students from remote locations.

- 2011 – Dadirri Indigenous Transition Centre.
- A strong network of care and support.
- Indigenous Liaison Officer whose focus is purely to support students in maximising students' potential for success.
- Indigenous students are provided with numerous opportunities to experience indigenous cultural immersion programs available in the local area.
- Students in Years 11 and 12 are supported in their education through the QATSIF scholarship scheme.

Post-school destination information

At the time of publishing this School Annual Report, the results of the 2015 Year 12 post-school destinations survey, *Next Step – Student Destination Report* for the school were not available. Information about these post-school destinations of our students will be incorporated into this Report in September.

Early leavers information

Early leavers are very few at Downlands College. Upon advice of a student's intention to depart the College, the student is interviewed and parents/carers contacted to discuss the situation. Early leavers generally move to employment including full-time apprenticeship programs, and/or to full-time TAFE, and/or because the family is moving interstate or overseas.

NEXT STEP 2016

DESTINATIONS OF 2015 YEAR 12s

Downlands Sacred Heart College

Introduction

This page presents a summary of results of the annual *Next Step* survey for Downlands Sacred Heart College. The *Next Step* survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2015, whether they attended a state, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician's Office conducted the survey between March and June 2016, approximately six months after the young people left school. Responses were collected online and via computer-assisted telephone interviewing.

Statewide and regional reports from the *Next Step* survey will be available on the *Next Step* website in September 2016 at www.education.qld.gov.au/nextstep.

Response rate for Downlands Sacred Heart College

Table 1 below reports the response rate for Downlands Sacred Heart College. It expresses the number of respondents from this school, as a percentage of all Year 12 completers who attended Downlands Sacred Heart College in 2015.

It has not been possible to ascertain how representative these responses are of all Year 12 completers from this school.

Table 1: Survey response rate, Downlands Sacred Heart College 2016

Number of respondents	Number of students who completed Year 12	Response rate (%)

Definitions of main destinations

The pathways of Year 12 completers were categorised into ten main destinations. Year 12 completers who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at www.education.qld.gov.au/nextstep.

Summary of findings

In 2016, 54.2% of young people who completed Year 12 at Downlands Sacred Heart College in 2015 continued in some recognised form of education and training in the year after they left school.

The most common study destination was Bachelor Degree (29.9%). The combined VET study destinations accounted for 24.3% of respondents, including 7.5% in campus-based VET programs, with 3.7% of Year 12 completers entering programs at Certificate IV level or higher.

16.8% commenced employment-based training, either as an apprentice (15.0%) or trainee (1.9%).

In addition to the above study destinations, a further 33.6% of respondents from this school deferred a tertiary offer in 2016 (deferrers are included in their current destination).

45.8% did not enter post-school education or training, and were either employed (39.3%), seeking work (4.7%) or not in the labour force, education or training (1.9%).
