Downlands Foundation Bursary Application

PREAMBLE

At Downlands, we strive to follow the vision of Jules Chevalier, founder of the MSC, who wanted to make known the Gospel message of God's love and care for all men and women and to evoke a response in every human heart. He especially valued love, concern, compassion, understanding, respect and acceptance of every individual. The Downlands College community recognises a commitment to know and proclaim God's love, to promote gentle relationships and a spirit of service and to show compassion in those in need.

The objects of the Downlands Foundation Ltd is to support and assist the College to encourage and foster interest and financial support of past students, parents of students and friends of the College to preserve, improve and develop the College's standards, services, property and facilities. In particular, the Downlands Foundation Limited provides for scholarships and bursaries for the purpose of promoting the recipient's education at the College.

Assistance given by the Downlands Foundation is limited, and is intended to reduce the cost to some families of their fees only to a level that they should be able to afford.
