

APPENDIX E

Downlands College Boarding Student Driver Contract

Having a Car at School

For a boarding student to have a car at school is a privilege. For such approval to be given, boarders are required to read, complete and then sign the form below.

Clearly state the serious reasons approval should be granted to locate a car on site.

Expectations

Driving is a serious privilege and needs to be understood as a grave responsibility.

In addition to being bound by all school rules from the time they leave home and until they return home, boarding students must abide by the following conditions:

- No other students are to travel in the car whilst the student is a boarder at Downlands College.
- The car is to be parked only in the specified area of the school grounds.
- Drivers are to ensure that the keys, including spare keys, for the car are handed in to the Boarding House staff to be locked away.
- No boarder may leave the school grounds in a car without following the correct procedure.
- Permission to travel, other than to work, must be obtained from the boarder's parents / carers in writing.
- Speed limit inside the school grounds for vehicles is 10 KMPH
- Students may not loan their car to others.

Consequences

I understand that if I breach the above conditions I will lose the privilege of having a car at Downlands College. It is my responsibility to ensure that I adhere to the conditions above.

I understand the above conditions of contract and agree to abide by the conditions as outlined above:
